Paper is one of the best conductors of electricity there is, says an exchange. Thus boys in a pressroom often hold one hand on a roll of paper and with the other light a gas jet with the electric spark drawn by touching the end of the finger to a metallic burner.

Mrs. C. E. VanDusen, of Kilbourn, Wis was afflicted with stomach trouble and constipation for a long time. She says, "I have tried many preparations but none have done me the good that Chamberlain's Stomach and Liver Tablets have." These Tablets are for sale at all druggists. Price 25 cents. Sample free.

A party which went up the Tomoca on the launch Illinois last Saturday killed the large alligator, which every warm day for months past has basked in the sunshine at a point near the head of the river. We are surprised that owners of launches should allow such actions as the alligators are one of the attractions for a trip up the Tomoca.

FOR SALE—a good wagon, J. L. Odum.

The mercury is reported to have been down to 29° Wednesday night.

What are we going to do about establishing golf links in Daytona?

All kinds of printing done on short notice at the GAZETTE-News printery.

Mr. and Mrs. Robert G. Benbin, of Philadelphia, are enjoying the beauties and the wheeling of Daytona, making their home with E. N. Waldron on Ridgewood avenue.

As we go to press we learn that Adam Schantz has purchased the ground on which J. P. Thomas' bottling works stand; the works will be moved directly across the street.

Headache often result from a disordered condition of the stomach and constipation of the bowels. A dose or two of Chamberlain's Stomach and Liver Tablets will correct these disorders and cure the headache. Sold by all druggists.

Miss Lee, secretary for the Daytona Traction company, left last Saturday for her home in Chicago, to attend to some business in connection with her father's estate. Mr. Parker is filling her place during her absence.

About next Saturday John Pollitz, at present with Peck & Foster, will assume the duties of clerk in the Globe. B. F. Estes, the present efficient clerk, will leave about April 20 for Colorado Springs, where he goes for the benefit of his health.

A party of gentlemen from Marion, Ohio, offered 33 gallons of gasoline as prizes for a launch race last Saturday. The result of the race was as follows: Rambler first 15 gallons; Templar second, 10 gallons; Truscott third, five gallons; Meg fourth, three gallons. The judges were B. F. Hough, N. A. Lewis and G. W. Conner.

The Epworth League of the First M. E. church had a delightful social at the home of Mr. and Mrs. H. F. Stewart, Thursday evening. The house was well filled with guests who spent the evening in very interesting and also profitable diversions, including musical selections. Delicious refreshments in the form of hot cocoa and many kinds of cake were served. All had a happy time.

John Wentworth Sanborn, A. M., will deliver a lecture on the Iroquois Confederacy, at the Opera House Friday, March 15. Legends and traditions, marriages and burials and customs of the famous Iroquois Indians, under the auspices of the Epworth League of the First M. E. Church. Lecture illustrated with 100 stereopticon views taken from life. Mr. Sanborn surely knows all about the Indians, having been inaugurated chief of the Senecas by the Indians themselves. He brings rare and valuable curios which he will exhibit to the audience. He directed the New York Indian exhibit at the World's Fair. Admission 25 cents; children 15 cents.

The "Old District Skule"

The rehearsals for the "Old District Skule," which will be given at the Opera House on the 19th, have been very satisfactory. About forty "Skolars," will take part. W. M. Moore, has accepted the position of "skulemaster" and he is going to make a good one. The committee consists of Mayor Ludwig, Maj. Bingham and Messrs. J. M. Jolley and J. R. Hill. With such a teacher and such a committee the "skule" can hardly fail to be a success. The play is brimful of fun from beginning to end and it promises to be the best amateur entertainment ever given in Daytona. All rehearsals after this will be held in the Armory.

Chicago Glee Club.

Few musical organizations have won such an enviable reputation as that enjoyed by the Chicago Glee Club. It stands among the very best male quartettes of one country, and many careful and conservative critics maintain that the Chicago Glee Club has no equal.

The range and general ability of the club is such that it handles with comparative ease the most difficult selections, and its rendition of music is marked with the greatest versatility. The repertoire of the quartette is so extensive that it can give several separate and complete concerts without repetition. The selections used are from standard secular and sacred music, folk, sentimental, plantation and humorous songs. Song in costume are a delightful diversion and surpass anything of the kind attempted by other male quartettes. They combine harmony in action with harmony in song. At the Daytona Opera House, Tuesday, March 12.

New Enterprise for Daytona.

Daytona is soon to have another enterprise, in the form of a water filtration plant. Adam Schantz, of Dayton, Ohio, has purchased, through J. W. Wilkinson, the Buell property on Ridgewood, and the Sherman and Cooper properties on Volusia avenue. On the Buell property Mr. Schantz will erect a commodious residence, and on his other purchases he will erect a plant for the manufacture of his famous "Lily Water."

The GAZETTE-News man saw Mr. Schantz at the City Hotel Tuesday afternoon and in part he said: "I arrived here Saturday evening with no intention of buying property anywhere around here; Sunday I went out for a drive and that night I telegraphed home: 'This is the nearest to Paradise I have found; am going to stay.' I have traveled in most every country of the world but nothing have I ever seen that equals Daytona for beauty." Mr. Schantz was asked if he would commence building operations at once and he said: "Yes, I will put men to work immediately clearing up the property. Of course I can't at present say what size the plant will be as I have not had time to think it over, but it will not be a detriment to Daytona, but instead will be beneficial. I will put up the buildings so that they can be enlarged at any time without disfiguring the main building."

"By the Filtration and Purification Process for which I received letters patent Dec. 5, 1899, I am enabled to supply the public with a long-let water: namely the water that is purer than any produced by filtration or purification process, or the many natural springs that have been invented or discovered up to our present time."

The many natural spring waters that the market is flooded with, while possessing a great many good qualities, are as a rule impregnated to a great degree with organic matter, or contains too great a percentage of minerals; doing good in the one direction and injury in the other.

Lily Water possesses the good qualities of all combined, being free from harmful minerals and also free from organic matter, thereby not containing any pathogenic or other germs.

The most eminent physicians of the day pronounce Lily Water to be a pure, healthy, hygienic water and recommend it for all disorders of the stomach, Kidney troubles, Bright's disease, rheumatism, gout, etc."

STRIKES A RICH FIND.

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicine I ever used. They also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; and they are a grand tonic and invigorator for weak run down women. No other medicine can take its place in our family." Try them. Only 50 cents. Satisfaction guaranteed by Dr. J. M. Jones.

County Board Doings.

The county commissioners met in regular monthly session Monday and Tuesday, with all members present, Chairman Cannon in the chair. Report of repairs on the DeLand and Daytona road was made, showing considerable progress, and it is hoped that the road will soon be in such shape that the automobile line will be put on between those cities. A petition was presented asking that the road from DeLand to Crows Bluff be straightened and made passable, which was referred to a committee consisting of Messrs. O. J. Hill, G. A. Dreka and county surveyor, S. B. Wilson, to investigate and report on the same. Later in the meeting the committee reported. The report was filed and the road ordered advertised. The committee appointed at the last meeting to report on the extension of the Ridgewood avenue road from Daytona to Ormond reported, and the report was filed and the road ordered advertised, according to law. The bond of Lawrence Thompson as notary public was approved. Criminal Court costs to the amount of \$161.34 were approved and paid. The bids for the building of the county poor house were opened, and George Boynton found to be the lowest bidder, but the matter was laid over, pending further action of the board. The contract for the painting of the iron works in the county jail was let to J. R. Berry for \$35, which was the amount of his bid.

NIGHT WAS HER TERROR.

"I would cough nearly all night long," writes Mrs. Chas. Applegate, of Alexanria, Ind., "and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all medicines failed three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 58 pounds." It's absolutely guaranteed to cure Coughs, Colds, La Grippe, Bronchitis and all Throat and Lung Troubles. Price 50 cents and \$1. Trial bottle free at Dr. J. M. Jones'.

Fire Festival Next.

One week from tonight will occur, we say without fear of contradiction, the biggest thing that has ever taken place on the east coast in the way of amusement—we mean the fire festival. The Halifax River Yacht Club have already ordered \$400 worth of fire works and many dollars worth will be purchased by individuals.

The evening picked out will have no moonlight and the tide will be at its highest. All the boats from here and Ormond will be in the parade and some are expected from Rockledge, Titusville and New Smyrna. All citizens are urged to either contribute cash or something in the line of fire works, as a thing of this nature is a great advertisement for the town. Mayor Ludwig, Ex-Commodore Brown and Col. Post constitute the committee.

VALUABLE IN CHANGEABLE WEATHER.

People are benefited by the use of Speer's Port Grape Wine, especially ladies. It purifies the blood and makes their eyes shine like stars.

Every Family in The South Should Plant Pecan Trees.

The Pecan tree not only bears one of the most delicious nuts, but it is one of the most hardy trees that grows in the South, and makes as fine a shade tree as the Elm or Maple, and no family ought to be without a few shade trees. It would pay the town authorities to do as the French authorities do, plant nut bearing trees on the sidewalks and get a revenue therefrom. A town that would this year put out a thousand trees on the sidewalks at comparatively little cost would in ten years, get an annual return of at least \$500.00 and each year there would be an increase until the income would reach from three to five thousand dollars annually. Enough to more than pay all taxes of an ordinary size town.

The trees do well planted in cotton and corn fields, and farmers can cultivate the lands in crops of corn and cotton until the trees get to bearing a farmer with ten to twenty acres has a small fortune in his Pecan grove and don't need to plant cotton and corn. The tree is hardy and stands the cold weather anywhere south of Maryland. At Pine Bluff, North Carolina, there is a company that makes a specialty of growing the young trees for sale, and we advise the town authorities, and all readers of our paper, to write the Pinebluff Grape & Pecan company, Pinebluff, N. C., for circulars.

Port Orange.

Mrs. Woods and Mrs. Seers drove up to Daytona Tuesday.

The Wednesday afternoon fast train killed Mr. Duggar's cow.

On Tuesday a large party went down to New Smyrna to visit the Spanish ruins.

Dr. H. K. DuBois went over to DeLand Monday, intending to attend the bicycle meeting.

Dr. and Mrs. Phone came down from Sea Breeze to attend the card party on Wednesday evening.

The party who went down the coast in the Brooklyn returned Monday. They had wonderful luck in finding Nautilus shells, bringing home sixty.

M. Walker started for California last Wednesday to remain permanently as he has accepted a very good position in the mining company. Mrs. Walker will join him as soon as he gets a home ready for her.

The town hall which is used for the primary department of the Sunday school, came near burning Wednesday. The roof caught fire from sparks from the chimney but was luckily seen in time to extinguish it before much damage was done.

There were two euchar parties at the hotel and one at Ridgewood Hall last Tuesday evening. It was the largest one of this season so far, and as usual was a very pleasant affair. Mrs. Fredricks was the hostess of the evening.

Mr. Hicks, a former resident of Daytona, has rented the store and dwelling corner of Ridgewood and Dun Lawton avenues, and with his brother, intends to start a candy manufactory. His brother has a factory in Asbury Park. We are glad to welcome them among us, and wish them good success.

AN HONEST MEDICINE FOR LAGRIFFE.

George W. Waitt, of South Gardiner, Me., says: "I have had the worst cough, cold chills and gripp and have taken lots of trash of no account but profit to the vendor. Chamberlain's Cough Remedy is the only thing that has done any good whatever. I have used one bottle of it and the chills, cold and gripp have all left me. I congratulate the manufacturers of an honest medicine." For sale by all druggists.

Holly Hill News of the Day.

Mrs. G. W. Harris and Mrs. Carter drove in town on Monday.

Mrs. J. M. Dickinson from Orlando is expected to arrive on Thursday.

W. B. Heath has quite recovered from his recent indisposition, and on Tuesday walked to town.

Mr. Fitley has been here since Saturday. He has painted his boat and is preparing for another trip down the river.

Early in the week the "Jolenthe" took a party out for a pleasant little sail. From the river the near residences at City Beautiful presented an imposing appearance and adds greatly to the pleasing aspect of the place.

On Friday Mrs. A. H. Carter entertained her Holly Hill friends most pleasantly. It was a mild evening and after a merry game of cards all enjoyed the ice cream and other delicacies provided by their genial hostess.

On Wednesday evening Mrs. Taylor invited her Holly Hill friends to a game of progressive eucher. They formed a merry party and all spent a most pleasant time over the friendly contest. A fine open fire with a good back log shed a general warmth which was much appreciated as it was a wee bit cold out of doors.

We have some very beautiful pansies; several here are very successful in raising them. They begin to flower in February and the cold weather just suits them. It is a wonder that they are not more generally cultivated, they require so little attention, and are so easily propagated and so amply repay one for the slight trouble required to grow them.

A HORRIBLE OUTBREAK.

"Of large sores on my little daughter" head developed into a case of scald head," writes C. D. Isbill of Morganton, Tenn., but Bucklen's Arnica Salve completely cured her. It's a guaranteed cure for Eczema; Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles. Only 25 cents at Dr. J. M. Jones.

NURSERY STOCK—Satsuma, Parson Brown and Pineapple Orange 30 cents apiece. Phoenix Silverstris Palms \$1.00. Apply to E. N. Waldron.
